

Western SFA Board Meeting
Special Session of the Board
December 3, 2008
Minutes

A special session of the Board of Directors was called as a result of the resignation of Sherri Gahr from the position of Chairman of AniZona, and head of programming.

After much discussion of the nuts and bolts of programming, the board will control the convention and placed Bob LaPierre in the position of director for day to day operations and as spokesman for board decisions. The programming will be handled by Across-Plus and will meet in the time slot before their Sunday meetings for the purpose of planning programming. The next 6-8 weeks will be very intensive.

This will be announced on December 8th.
